

Professional Development

Application for CREATE School Professional Development Grant

Guidelines for Approval:

- Funding will be awarded based on the number of allocated instructional units at a school as determined by enrollment through the District Office. The amount requested can be less than but not exceed the maximum listed below. Your school is not guaranteed the full amount. Funding will be determined by the quality of professional development initiative (in accordance with Florida's PD Standards) and how it supports the district focus areas.

- 1 - 30 teachers = \$1,000
31 - 50 teachers = \$1,500
51+ teachers = \$2,000

- All requests must be linked to at least one ACPS professional development initiative.
Proposals must be submitted by September 15, 2017.
All proposals must be reviewed and approved by the Office of Professional Development.

School: _____ Amount Requested: _____

District Initiative: Closing Student Achievement Gap

(Check the appropriate box that supports the funding requested)

Table with 2 columns: Quality Instruction, Meeting the Needs of all Learners. Rows include ACPS Instructional Framework, Data-Driven Instruction, Assessment for Learning (Formative), Collaborative Planning, Deepening Content Knowledge, Planning for Standards-Based Instruction, Classroom Management/PBIS (Tier One), Webb's DOK/Gradual Release, and Other.

On a separate document or the following page, please provide the following information:

- 1. Describe the requested project or professional development. Include in your description an itemized estimate of costs for training materials, teacher stipends, training consultants, and/or substitutes needed.
2. How will this training impact closing the student achievement gap at your school?
3. How will you evaluate the effectiveness of the training?
