

Principal's Corner

Hello Hidden Oak Families,

With a few activities planned for this month, just a reminder that all school volunteers are required to complete a new volunteer application every year. The online application is available on the ACPS website.

We will be closed for Winter Break beginning on December 19, and school resumes on Tuesday, January 3, 2023.

Have a delightful December!

Free Family Counseling & Resources

Through a new partnership with the Cook Center for Human Connection, the school district offers free coaching for any parent who requests it, including in Spanish. The service includes weekly conversations with a trained, certified professional. The Cook Center website also offers videos and an FAQ where parents can see answers to commonly asked questions and submit their own. More information is at <https://parentguidance.org>. The direct link to the coaching sign-up is <https://parentguidance.org/school-coaching>. Coaching is also being offered free to ACPS employees, whether or not they have children.
