

## Principal's Corner

Happy Fall!

Now that we once again are able to have parent chaperones accompany students on field trips please note - all school volunteers are required to complete a new volunteer application every year. The online application is available on the ACPS website, and must be completed prior to the day of the field trip.

We are now in the second 9-week grading period. Report cards can be viewed online using Skyward Family Access. Please contact the front office to sign up for Family Access if you have not yet done so.

School will be closed on Friday, November 11<sup>th</sup> for Veterans Day, and during the week of November 21-25 for Thanksgiving Break.

Have a very happy Thanksgiving!

Mrs. Sharon Sailor

## Grade Level Spotlight

Fourth Grade is doing a Veterans Day Performance for each grade level, parents, and veterans. A Google form went out to the whole school to recognize any past or present veterans with a star in the front of the school. This could be a friend of the family, someone currently serving, or a family member that is no longer with us. Fourth graders are working hard to learn the songs for the play, write poems, and think about the many reasons why they are thankful for the veterans who have sacrificed for our beautiful country.
