

Title I Annual Meeting Minutes  
September 12, 2019

Meeting began at 5:50pm

Mrs. Martin welcomed all parents and families, introduced Principal Creamer and Assistant Principal Mrs. Phillips.

Agenda was reviewed.

\*What is Title I?

Title I is the largest federal assistance program for our schools. The goal of Title I is a higher quality of education for every child.

\*How Title I Works?

US Dept. of Ed provides funds to FL DOE. FL DOE allocates funds to districts. Districts identifies eligible schools and allocates funding to those schools. Schools spend the funds based on their SIP. Our school implements a school wide program. This means our Title I money is used in ways that may impact every student in the school.

\*Title I Funds Provide Supplemental Support

Services provided through Title I funding at our school include: additional teachers for intervention instruction, technology, curriculum materials, extended day tutoring (after school, Saturday school, extended school year, etc.)

\*Who decides how funds are used?

Parents, staff, and administrators. If you would like to be involved in our decision making process, we encourage you to attend our SAC and/or PTA meetings, as well as, provide us feedback on the evaluation forms provided at every Parent and Family event. Like Reading and Technology night coming up Oct. 10th. Our next SAC meeting is Nov. 14th. Our next PTA meeting is Sept. 26th.

\*Where can I find a copy of the Title I Budgets?

Copies of our Part A Basic and Parent and Family Engagement budgets are in our Parent and Family Resource Notebook located in the Parent Resource Area in the front office, as well as our school website.
