

### What About Internet Ethics and E-mail Etiquette?

1. Respect the privacy of others.
2. Use the subject field in all e-mails.
3. Don't type in all UPPERCASE. It's like shouting.
4. Don't forward chain letters.
5. If a letter says, "forward this to everyone you know", ... don't.
6. E-mail is not private. Use e-mail as if your grandmother was going to see it.
7. Don't copy things that you find on the Internet and pretend that's it's your work.
8. Don't steal copyrighted computer programs or music by copying it illegally from the Internet. This is the same as stealing from a store.
9. Don't try to break into other computers. It's a crime and it's an invasion of privacy.
10. Practice "The Golden Rule" online.
