

The Florida Department of Education offers students in Florida's public school system access to the FCAT Explorer Web site. This free resource is designed to help students practice the skills that are outlined in the Sunshine State Standards. By using the following directions, students may access this web site from any computer that has internet access.

1. Go to [www.fcatexplorer.com](http://www.fcatexplorer.com).
2. Enter the username which is the student's last name and the first letter of the first name.  
Example: John Smith would have a username of SMITHJ.
3. Enter the User Password which is the numbers 01, followed by the first four letters of the student's last name and month and day of birth (four digits). Example: John Smith's birthday is on January 25. His User Password is 01SMIT0125
4. Follow remaining instructions that are on the site.
