This is a special announcement about the Flu Mist immunization program offered free for all students. If you have ever had the flu, and most teenagers have, you know you don't want to have it again if you can prevent it. Flu Mist is a nasal spray that has been shown to be effective in preventing seasonal flu and H1N1. We gave you a consent form that needs to be completed by your parent or guardian before October 1. If you have misplaced your form, please go to the school board web site www.sbac.edu to download a copy. Have your parents sign it and then give it to your first period teacher. Getting the flu isn't any fun at all. Please take advantage of this free prevention program.

The PSAT will be on Saturday, October 16th. There are limited seats available so please sign up as soon as possible in Guidance. If you are a Junior, this test is required in order for you to be able to compete for national merit scholar. I encourage all Juniors and Sophomores to take the test. The cost is \$20.00. I have a limited number of fee waivers for Juniors on free or reduced lunch. If you have any questions please see Mr. Stalbaum.

The ASVAB will be given on October 6th in Portable T-1. If you would like to learn more about your technical aptitude, please sign up in Guidance. Taking the ASVAB does not obligate you to the military but it can give you helpful information about your potential to succeed in both military and civilian vocations. See Mr. Stalbaum if you have questions.

If anyone is interested in competing in the County Scholastic Chess Tournament at Kanapaha Middle School on September 26th or if you want information about other chess events in the county please see Mr. Stalbaum in Guidance.
