RECONSIDERATION OF  
WAIVER REQUEST FOR  
HIGH SPRINGS  
COMMUNITY SCHOOL

Motion by Mr. Eubank

Seconded by Mrs. Sharpe

Moved the Superintendent's recommendation to renew High Springs Community School's waiver to Article IX, Section 12(c) of the collective bargaining agreement, in order to allow for early release on Wednesdays for middle school teachers. The waiver is necessary to allow for effective busing and cohesive scheduling. Middle school teachers will actually exceed the required number of contact minutes per week. The waiver request has been approved by the School Advisory Council, a majority of the faculty, and the Executive Board of the ACEA.

Noting concern about setting a precedent for reconsideration of Board decisions, Mrs. Pinkoson stated that the only reason she placed this on the agenda for the second time is that a member felt the Board did not have appropriate information on which to base their previous decision.

Mrs. Childs stated that she has not seen any additional information since the last Board meeting and maintains her belief that the waiver is not in the best interests of the children. Mrs. Sharpe also feels this waiver is not a benefit to students and will not change her vote.

Mr. Eubank explained that he has decided to vote in favor because, even with the waiver, there is more student contact time than at other middle schools. Mrs. Roy believes the contact time to be at or above that of other schools and also feels that the people closest to the situation have the best interests of the students in mind. She continues her support for the waiver request.

Mr. Eubank noted his concern that Horizon has early release on Wednesday for middle and high school.

The question was called.
