

## COMMUNITY SERVICE REGISTRATION

"COMMUNITY SERVICE", is defined as altruistic tasks performed with the intent of enhancing the quality of life in the school or the community at large.

High school students may earn credit for graduation through APPROVED community service. Up to one (1) full credit may be earned, ½ credit at a time, for each 75 hours of pre-approved community service. Students may earn two one-half credits by completing 150 hours of service. Community service hours may only be applied to either coursework for credit or community service for Florida Bright Futures Scholars Awards, not both. A student who seeks one full credit for graduation and the community service for Florida Bright Futures, must complete 225 hours of approved community service activities. (ACPS policy 2575.01)
