2 Together as One

Dear Parents of 2020 Graduates,

KEEP THIS SCHEDULE! This schedule is a copy of the events occurring for the next few and final months of your student's high school career. Your students received this schedule in their first period class. These schedules were also sent to SFC for the Dual Enrollment students. You will find it useful to refer to as we progress. We would also like to thank all the parents who have helped in so many ways the last four years. You have been wonderful. This has been a great class and we have enjoyed working with them. Buchholz High School will surely miss them next year. If you have any questions about any of these events, please call at (352) 955-6702 or email any of us concerning events.

Sincerely,
