Notes: In the 2014-15 school year, the school grades calculation was revised substantially to implement new state laws made by the 2014 Legislature and incorporate the Florida Standards Assessments (FSA). In the 2019-20 school year, K-12 statewide assessment test administrations were canceled and school grades were not calculated. In the 2020-21 school year, school districts were provided the flexibility to opt-in to have their school grade recorded and reported. Several schools in our area are not included in the grading system due to a variety of factors, including Irby Elementary, Sidney Lanier, and A. Quinn Jones. Additional information about school and district grades, including the results of the calculation for each school and district, and an interactive [Know Your Schools Portal](http://www.fldoe.org/accountability/accountability-reporting/school-grades/) is available at <http://www.fldoe.org/accountability/accountability-reporting/school-grades/>.
