Dear Wildcat Family,

Student Personality/Learning Trait forms are due by next Wednesday, May 28th [Click on this link to fill out and turn into the front office.](#) There is a box right outside the front office or you can send it back to school in your child's folder.

At this time ALL library books should have been returned to the Media Center. If your child has lost a book please be sure to pay for it on MySchoolBucks.com. If you have checked out a Chromebook and will NOT be returning to any Alachua County School next school year, you MUST return it. If you will be returning you may keep it for summer use.

We know that there are only 6 days left of school but we have a lot going on at Wiles for the kiddos. The last week of school Wiles will be holding Field Day for each grade level. Your child's teacher will share the scheduled times. On your child's scheduled day please be sure they bring a water bottle to school and wear sunscreen.

As the 2024-2025 school year comes to a close, we want to thank you for your support and partnership with your student's education. Please take a few moments to provide your valuable input and complete the district's [Family Climate Survey.](#). This survey will provide your school's leadership team and the district administration important feedback to assist in the continuous improvement process.

This will be the last newsletter of the year so have a wonderful summer and don't forget to read a good book with your child.
