

May 9, 2025

Dear Wildcat Family,

Thank you PTA and parents for making our teachers feel special this week.

If you would like to provide input for your child's placement for the 2024-2025 school year, please click on the link and complete the [Personality Traits](#) form attached to this email and return it to school by Wednesday, May 28. Please do not request a specific teacher.

The week of May 12th, K-5th grade students will take the FAST Reading and Math assessments. Please be sure your child gets plenty of rest, eats a good breakfast and arrives on time to school. In addition to the FAST test our 5th grade students will also take the Science Assessment on May 20th. Please check with your child's teacher for specific dates.

The Kimball Wiles Wildcats Chorus performed in the Music USA Festival at Universal Studios this past weekend, earning Straight Superior ratings from 3 adjudicators (with scores of 92, 92, and 94 out of a possible 100 points) and received a "First Place Elementary Concert Choir" trophy. Our Wildcats did an amazing job representing Kimball Wiles and Alachua County Public Schools in this festival - we're very proud of all of them!
