School Improvement Plan

The Leader in Me Measurable Results Assessment and the teacher and parent climate surveys at the end of last year revealed needs to:

- ◇ Increase parental involvement opportunities
- ◇ Offer more challenging curriculum including hands-on learning opportunities
- ◇ Improve school climate such as student discipline, respect and bullying, disproportionate discipline
- ◇ Increasing communication with stakeholders
- ◇ Improving school attendance
- ◇ Encouraging student led achievement

Based on this data, our school improvement focus areas are:

1. Improve outcomes for students in the lowest quartile in ELA
2. Improve outcomes for students in the lowest quartile in Math
3. Improve outcomes for Black/African American students
4. Improve outcomes for Students with Disabilities
5. Increase equity in student discipline.

Please share your ideas about actions we can take to meet our goals in these areas by emailing Mrs. Peterson petersls@gm.sbac.edu

Thank you for your help!
