

WELCOME to KINDERGARTEN

**DO YOU HAVE A CHILD THAT WILL BE 5 YEARS OLD
ON OR BEFORE SEPTEMBER 1, 2021?**

If so, this event is for YOU!

W.W. Irby Elementary Kindergarten Round-Up

What is it? This event is an opportunity to welcome our kindergarten students and their families to Irby Elementary. They'll meet school staff and learn about their new school.

When and where is it? Irby's Kindergarten Round-Up will be held **virtually** this year on April 28 at 1:30pm.

You can join the event virtually by visiting: <https://bit.ly/3dlchox>

When Round-Up is over, you'll be able to register your student online or in person.

What will I need to enroll my child? You'll need copies of your child's birth certificate, immunization record, proof of a physical exam, a Social Security Card and two different proofs of residence in the parent's name. Examples include a property tax statement, homestead exemption, lease agreement, and/or utility bill.
