December 2023 Edition

From the Principal's Desk:

As we shared in September, the district planned to use the two flex days built into the school year calendar (Thursday, December 21 and Friday, December 22) to make up for the school days lost to Hurricane Idalia.

However, the district has developed a revised plan for making up the time lost to the hurricane. Under the new plan:

- Wednesday, December 20 will now be a **full school day** for elementary schools (as well as middle and high schools), with no early release.
- Thursday, December 21 will be a regular school day for all schools.
- Friday, December 22 will be a student/teacher holiday and schools will be closed.

The revised calendar is available on the district website at sbac.edu/calendars.

November Citizen of the Month

Makenzie Little

Congratulations to Makenzie Little, Irby's Citizen of the Month for November! While at school, Makenzie excels in math, having reached 100% fact fluency. Her favorite resource class to attend is Art and she aspires to be a scientist when she is older. During her time outside of school, she enjoys playing board and card games with her family while also practicing her gymnastics skills. Way to go Makenzie!
