ESOL Requirements for Teachers

Please see information below to determine which category you fall under. If you have questions, please call Michael Jacobi, our certification analyst, at 955-7721.

Category 1: Elementary, Language Arts/English, and Reading teachers must earn the ESOL Endorsement. This is added to your teaching certificate upon completion of the five 60 hour ESOL courses (300 hours). The entire 300 hours must be completed within three (3) years of initial hire date.

Category 2: Basic subject area provider/social studies, math, science, and computer literacy. Teachers in this category need 60 hours of ESOL training. Recommended Course(s): Methods of Teaching or Curriculum and Materials. This must be completed within one (1) year of initial hire date. Beginning teachers have two (2) years to fulfill this requirement.

Category 3: All other subjects not included in Categories 1, 2, or 4, including pre-kindergarten ESE teachers, speech pathologists, and other specialists. Teachers in this category need a minimum of 18 hours of ESOL training. Recommended Course: ESOL: An Overview. This must be completed within one (1) year of initial hire date. Beginning teachers have two (2) years to fulfill this requirement.

Category 4: Guidance counselors need sixty (60) hours of ESOL training. Recommended Course: ESOL for Guidance Counselors. This must be completed within three (3) years of initial hire date.
