## The Performing Arts at Buchholz

Band 🐾 Chorus 🐾 Color Guard 🐾 Drama 🐾 Orchestra

Whether you have years of experience or absolutely none, there's a place for you in one or more of our performing arts programs. **Come join us!**

### Band

Our performing ensembles include the Wind Symphony, Symphonic Band, Jazz Band, Percussion Ensembles, and Aviance, an elite color guard. In the fall, all of these groups combine to form the Golden Regiment Marching Band.

Our program provides a comprehensive musical experience for our students with special emphasis placed in the areas of concert, and solo and ensemble performance.

### Drama

The Buchholz Theater program is one of the most active in Florida. With a full performance curriculum and technical theater program, our students can spend up to three years as an honors student.

We are recognized for elaborate sets, exceptional lighting designs, stage combat training and a full theatrical design curriculum. We put on shows that other schools are hesitant to try due to enormous complexities.

**We see complexity as a challenge to be overcome!**

### Chorus & Orchestra

Our quickly growing choral and orchestra program includes four choir programs and a string orchestra that perform a variety of repertoire throughout the year. **No prior experience is required to join us!** Just a love of music, excellence and a willingness to learn.

We collaborate with our band, area middle and elementary schools, as well as the other high schools in our district frequently. Our students love to give back to our school and community by sharing their music and volunteering their time.

### Aviance Color Guard

Do you love to dance? Consider joining us, no experience necessary!

The Aviance Color Guard is an auxiliary of the Golden Regiment. This highly disciplined group also performs as a competitive unit separate from the band at regional and state color guard competitions. From January through April, we compete as part of the Florida Federation of Colorguards Circuit (FFCC).

Aviance is consistently ranked in the top few teams at all levels of evaluation.
