

Fort Clarke Middle School Facilities Improvements

Thanks to the citizens of our community, who approved the Half-Cent for Schools, major facilities improvements are coming to all Alachua County Public Schools!

Here's what's planned for Fort Clarke Middle School, including the dates that design work will start for each project:

2022: Replacement of roof for Building 3 (music)
Replacement of flooring in Building 1
(classrooms/dining/kitchen/media/administration)

2029: Construction of 12 new classrooms
Construction of new kitchen/dining/multi-purpose building
Renovation/modernization of 38 existing classrooms
Renovation/modernization of media center

Ongoing: Safety and security improvements
