

GAINESVILLE HIGH SCHOOL SPECIAL EVENT GUEST FORM HOMECOMING 2019

Gainesville High School special events are for Gainesville High School students. GHS has allowed students from other local schools to participate in GHS special events. In order for a student from another school to participate in a GHS special event, a Special Event Guest Form must be filled out by the visiting student's school official (Dean or Administrator) and the GHS student must have already purchased a ticket. Once the Guest Form has been approved by Administration, a ticket can be purchased by a GHS student. The All School Board rules and policies for students (GHS students and guests) are applicable. No disorderly conduct will be allowed. If committed, the guest and/or student will face appropriate disciplinary consequences. The guest student's school will also be notified.
