

Dear Business Leaders,

You are cordially invited to assist us in building successful partnerships as stakeholders in school improvement, student achievement and parental involvement through a GHS Parent Teacher Student Association (GHS PTSA) Membership.

Your support of our non-profit 503(c)(3), parent, teacher, student organization as a business and community leader is appreciated and will be commemorated with an official certificate. Our Membership provides your business with more recognition and community news, while increasing cooperation among school, businesses and the community. When customers and employees see your GHS PTSA Member Certificate, they know your business cares about the education and well-being of our future graduates.

As a Business Member, your information will be shared with all GHS PTSA members on our website and social media sites during the school year of your donation. We will also include your business and contact information in our newsletter that goes out to the students and their families.

You may not be aware of all the great activities sponsored by GHS PTSA funds and volunteer services. We strive to all GHS departments and programs, which include: Cambridge, Academy of Health Professions (AHP), Academy of Future Teachers (AFT), English for Speakers of Other Languages (ESOL), and our Traditional Studies.
