CONFRONTING AMERICA'S LEGACY OF ANTI-ASIAN VIOLENCE BY CADY LANG

Artwork by Amanda Phingbodhipakkiya

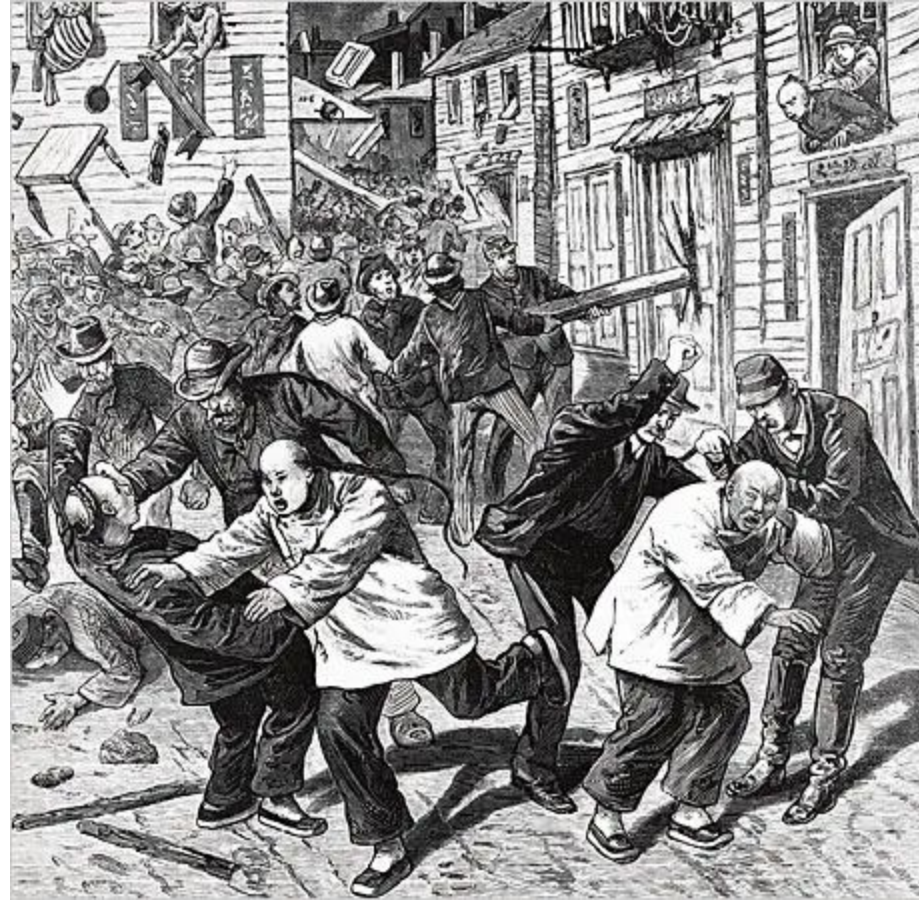

TIME.COM

Asian hate crimes have always been around, but due to the recent tragic events involving the death of 6 individuals of Asian descent on March 16th, 2021 as well as the persistent coronavirus attacks, Asian-Americans have finally broke their silence, advocating for what is right.

Despite the evident, sudden
explosion of hate crimes
targeted towards AAPI (Asian
Americans & Pacific Islanders)
anti-asian racism is no
stranger to the United States.

1882 Chinese Exclusion Act

- Banned immigration for 10 years
- Strict guidelines for entry into US

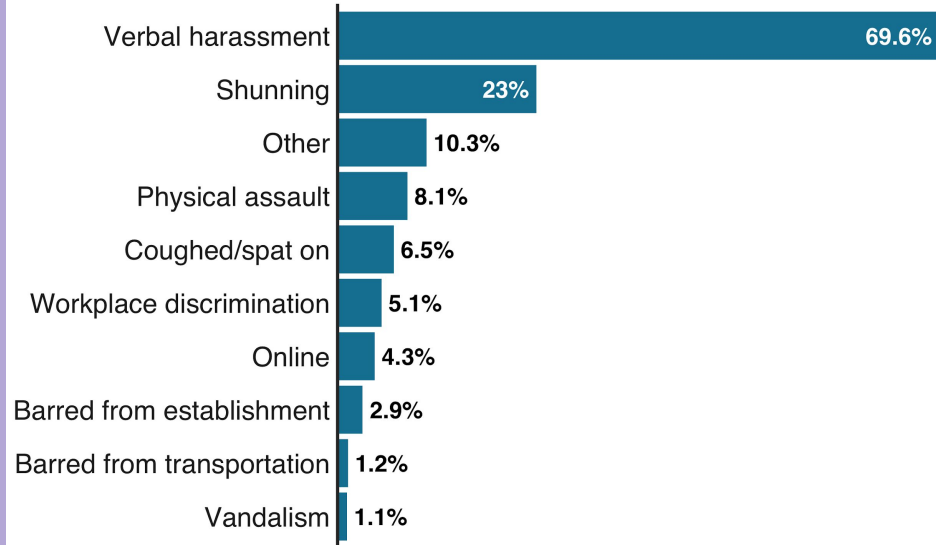

Statistics

Incidents range from verbal harassment to physical assault.

Verbal harassment the most common form of discrimination

Percentage of 1,710 reported coronavirus-related incidents
