### HSCS Trivia

We have been the HSCS Hawks since the 2004/2005 school year! Yes, almost 21 years. Do you know what the school mascots were when we were two different schools on one campus?

Answer: The High Springs Elementary School mascot was the Bobcats and the Spring Hill Middle School mascot was the Challengers.

Congratulations to Rebekah Copeland! She won the \$10 Colsie gift card for her correct answers.
