

Name of Club	Description	Leader(s)	Meetings
K-2 STEAM Club	STEAM stands for Science, Technology, Engineering, Art, and Math. In this club, students will participate in group and partner based hands-on learning activities to encourage communication, collaboration, critical thinking, and creativity to solve real-world problems using these five disciplines.	Dr. Fountain	12:35-1:45 Once per month on 1st and 3rd Wednesdays
Williams Young Ladies Club	This club is designed for young ladies 3rd-5th grade to help promote positive self-image, health, etiquette and relational aggression.	Ms. Leverett (Club Director), Mrs. Shannon, Mrs. Brown-Peoples, Mrs. Beckham, Ms. Brown, Ms. Green	12:40pm-2:20pm Twice per month on the 1st and 3rd Wednesdays
Wildcat Mathletes	Wildcat Mathletes compete in the Math Olympiad Contests. The Math Olympiad contests are monthly exams that assesses students for their mathematical skills and problem-solving abilities. The primary objectives of this program are to teach problem solving strategies as well as develop an appreciation for mathematical challenges.	Mrs. Brockman Mrs. Talham	Designated Thursdays
Geo-Eco Club	The Geo-Eco Club is a club that focuses on geography and taking care of our environment and is made up of about 30 fourth and fifth graders. Every two weeks our club members meet to learn more about the people and places on our planet and what we can do to protect it. In the spring, students have the opportunity to compete in a geography challenge!	Mrs. Thiebach Mrs. Maxwell	Every other Thursday
Safety Patrols	Safety patrols represent the young leaders in fifth grade. Our patrols are responsible, respectful, and kind and they help keep Williams students safe. Patrols have important jobs on campus In addition, our patrols fundraise throughout the year to help pay for their end-of-the-year trip to Washington, D.C.	Mrs. Maxwell Mr. Freeman	Designated days (during school hours)
