

Littlewood Elementary School

Report cards will NOT be sent home on the last day of school

Report cards will no longer be sent home with elementary school students on the last day of school. This change will now make elementary school students consistent with secondary students. Paper report cards will be available in mid-June once the school year closes out. Students will only receive a promotion/retention letter on the last day of school.

Congratulations to Chandler Carter and Maria Guilamo! They were recognized by the Council for Exceptional Children-Gatorland Chapter for their dedication and effort working with children. We are proud to have them here at Littlewood.

Thank you for another great year in the media center! We have read lots of books, learned about Internet safety, and explored many online
