Needed items if you child is not fully potty trained: (please label all items with your child's name)

- Pull Ups or Diapers (please send enough based on your usage as the school does not provide these items)
- Baby wipes
- Change of clothes (pants/shorts, shirt, socks, underwear, etc)

Snacktime Information:

Although the VPK class will have snack time, the program will not provide snacks to the child. Families should send in a snack for their individual child each day. We also welcome donations for the whole class. Examples of healthy snacks are:

- Goldfish
- Animal crackers
- Cheez-its
- Cheese balls
- Pretzels
- Snack cups and water cups are also very appreciated.

Please refrain from sending products that contain nuts, candy, or high sugary treats. If your child prefers a specific snack or has any food allergies, please send in a separate snack for them individually.
