UPWARD BOUND MATH-SCIENCE
SANTA FE COLLEGE

UPWARD BOUND MATH-SCIENCE (UBMS) provides fundamental support to participants in their preparation for college entrance with a focus on strengthening the math and science skills of our participants. Resources and support that the program provides enable participants to successfully complete high school and be ready to be successful in college coursework. The program serves Gainesville and Newberry High Schools. The goal of the program is to help students recognize and develop their potential to excel in math and science and to encourage them to pursue postsecondary degrees in math and science, and ultimately careers in the math and science profession.

Please complete ALL sections of this application. Along with the completed application, the applicant must also submit:

- A copy of the student's complete transcript
- An essay of at least 250 words stating why you want to be a part of the program and how the program will benefit you.
