

PARENT CONSENT FOR ACADEMY OF CRIMINAL JUSTICE ACTIVITIES 2023-2024

Dear Parents,

This release is for all Academy of Criminal Justice activities including: videos, scenarios, and simulations. As you may know, in the field of criminal justice, we often see the worst of what society has to offer. In order to give students an accurate “real life” picture, it is sometimes necessary to expose them to things that they might not normally see and hear. Students and parents are often surprised to learn that the criminal justice system they see on television is drastically different from what actually happens on the street, and in the court room. I like to make sure that parents understand that their students may be exposed to videos and scenarios that contain profanity and/or violent acts. Please rest assured that I try to only use such material when it is absolutely necessary to explain the curriculum, and that the training videos/scenarios I use are ones that are used in law enforcement academies nationwide. If at any time your student elects not to view a certain video or scenario, I will excuse them to an alternate location to work on a different assignment without any loss of points or credit. If you have any questions about this please do not hesitate to contact me at your convenience. By signing below, you acknowledge that you have read, and understand this information.
