High school graduation is an exciting time in the life of a young adult and his/her family. We are requesting that all members of the audience help keep the tone of the graduation ceremony orderly and dignified.

Balloons, large bouquets of flowers, signs, and noise makers including air horns and whistles are prohibited from the O'Connell Center. It is extremely important that all parents and friends can hear the name of their special graduate. We appreciate your help in ensuring the program is respectful and enjoyed by all.

Sincerely,

James H. Sheppard
