

Final Yearbook Update

We are getting down to the wire on putting together this years yearbook. I wanted to take a second to clarify a few dates and provide basic yearbook information.

Deadlines

All submitted photos, ads, baby pics, etc. must be turned in by March 19th. There have been a few dates circulating for different reasons and I apologize. Some of the dates were final ad purchase dates, date book goes to publishing, baby pic dates, etc. so to clarify there is only one date that is important **March 19th. Everything is due next Friday.**

Baby Pics

Baby pics are for 8th graders only. It is a fun part of the senior section where we place students baby pics (birth- toddler years) and the students have to guess. I only need **one** picture per student. So find that favorite early picture of your student and send it to me at scottms@gm.sbac.edu by **March 19th**.

Yearbook Ads

Yearbook ads are voluntary and purchased at www.swiphoto.com/yb. Ads cost \$40, \$80, and \$160 based on ¼ page, ½ page, and full-page ads.

When you go to the website above, you will create a log in and account. After that it will take you step by step through the process of purchasing and creating your ad. I do not make ads, nor have access to your accounts, but I am happy to help if you get stuck.

Ads can be purchased up until the deadline of **March 19th**, but they will also be due that same day so don't wait to the last minute.

There is updated information on the school website located here <https://www.sbac.edu/domain/5584>

Or feel free to reach out to me at scottms@gm.sbac.edu
