

2020-2021 Yearbook Updates

Parents, Students, and Staff

Well this year is flying by. I wanted to take a moment to go over some important Yearbook updates. Due to COVID we are approaching sales a little differently. I am ordering books by demand. I have an initial order of 200 books of which I have sold about 100. As I approach 200 I will order another batch of 50 and continue to do so until sales drop off.

Buying yearbooks will be the same.

Yearbooks and ads can be bought online at this website: www.swipphoto.com/yb

Yearbooks can be bought at school. There are order forms in the front office and media center.

Yearbook cost \$30

We are selling student and business ads. A full-page ad \$160, ½ page ad \$80, and ¼ page ad \$40

When you purchase an ad using cash or check, you will need to receive a code from me to use at the website above. This code gives you access to setup an account and create your ad.

Pictures

I will take any help getting pictures for this year's book. If you have pictures from your student's home school, a school event of any kind, or anything OVMS related please send them to me. I am very low on pictures, and picture taking moments.

Important dates

Now- March 30th: 8th grade Baby pics. We like to show baby pics of our seniors. I can accept Digital copies of those pictures up to March 30th. Please unless absolutely Unavoidable don't send hard copies to school. I would hate for something to Happen to your precious memory items, and this is a middle school. LOL

TBA: Club Picture and Senior class picture day.

March 30th: All ads must be completed and turned in, the year book is sent to publisher the next day.
