

# *a* **PROM** *to remember*

We are excited to announce the School Board approval of our 2021 Prom proposal. The Santa Fe High School prom will be held on Friday, May 21st at Valley View, 26001 N.W. 122nd Street Alachua, FL 32615. The prom will held 8:00 pm - 11:00 pm. Students may not arrive on the property before 7:30 pm. Individual prom tickets will be available for Santa Fe High School Juniors and Seniors ONLY. No underclassmen or non- Santa Fe High School students will be permitted, per School Board COVID requirements. Tickets are \$50 each and will go on sale April 19th. There will be a limited number of tickets sold on a first-come, first-serve basis, based on SBAC COVID capacity restrictions. Tickets will be purchased through [www.gofan.co](http://www.gofan.co). Students interested in purchasing a prom ticket must have the prom screening form completed, signed by student and parent, and returned to the school to receive a special access code required to purchase your ticket on the GoFan website. The screening forms will be distributed through English class and will be available in the front office and on our school website if you are a Digital Academy student. Digital Academy students should complete and email their form to [robertsoe@gm.sbac.edu](mailto:robertsoe@gm.sbac.edu). In the subject line, please list your name and “Prom Screening Form”.

Valley View includes an outdoor covered veranda and an open-air terrace. The entire facility is self-contained, which will facilitate safety and security measures. There will be a DJ and dancing; however, social distancing will be required at all times. The indoor ballroom will be used as an air-conditioned food and water break area, and includes restrooms. A maximum of 60 students will be allowed inside the indoor ballroom at one time, and students will only be allowed to stay inside for a total of 10 consecutive minutes per visit. There will be no dancing indoors. Check-in will be a three step process, as follows:

- 1.) Students will use their personal electronic device to display prom tickets, which will be validated by a school official.
- 2.) Students will have their temperature taken.
- 3.) Students will review a posted COVID-19 wellness checklist (SBAC checklist) and give verbal confirmation to a school official that they meet those criteria to enter.

The school officials will maintain a roster of Prom attendees, checking off each student as they enter, after a verbal confirmation of the COVID-19 checklist. Students are asked to please stay home if they are experiencing any COVID related symptoms or have been exposed to anyone with COVID symptoms within the last 7-10 days. All prom attendees, including school personnel/chaperones, will wear face coverings at all times unless actively eating or drinking, per School Board requirements. Multiple hand sanitizer locations will be spread throughout the venue. There is no designated dance floor. School personnel/chaperones will monitor attendees throughout the event to ensure social distancing in order to meet ACPS requirements (at least 3 feet apart from others outdoors and at least 6 feet apart indoors). School administration should be notified if a student tests positive for COVID-19 in the days after prom has concluded to ensure proper contact tracing is conducted.

We are so grateful for the opportunity to be able to celebrate with our students this year and look forward to making this a beautiful, exciting, and safe event for everyone!
