## January 24-28, 2022

### At W.W. Irby Elementary School

<p>Monday, January 24th</p>		<p>Wear your <u>“Stellar”</u> rainbow colors to celebrate all the ways you would like to add happiness and beauty to your school community!</p>
<p>Tuesday, January 25th</p>		<p>Today we will <u>“Shine Bright”</u> and celebrate our beauty and strength by showing courage, even when you feel alone or different. Wear something to celebrate your heritage, family, or unique personality.</p>
<p>Wednesday, January 26th</p>		<p>Our focus today is on the power of <u>“Exploration and Discovery!”</u> Think about what job you may want to have one day. Dress up to show everyone at Irby Elementary your <u>“Universal”</u> job choice!</p>
<p>Thursday, January 27th</p>		<p>Today we want to encourage readers to <u>“Shoot for the Stars”</u>, take risks, and <u>“Explore”</u> all the amazing things life can offer! Wear a shirt with an inspirational quote, or a team shirt that shows you work hard to succeed!</p>
<p>Friday, January 28th</p>		<p>Make it your <u>“Planetary Mission”</u> to dress up as a character from one of your favorite books and/or change your name and have everyone call you by that character all day! Talk with your friends and teachers about your book choice and why you love it!</p>
