MESSAGE FROM THE PRINCIPAL

Our students and teachers are off to a great start. With the first 9 weeks behind us, we are revving up instruction and preparing to push our students to greater heights. Our teachers have been engaged in lots of meaningful professional development to positively affect learning and achievement. We continue to encourage our students to BE RESPECTFUL, BE RESPONSIBLE, and BE KIND. We want to thank you for your support so far this year. We recognize that it takes all of us, working together as a school community to reach our goals and achieve success for our students.

Just a few reminders: Students should adhere to the school dress code each day. We will begin to tighten up on enforcement. Tardies to school are beginning to pick up. It is important that students are on time in order to get a good start to the day. As I tell our students, “We have lots of learning to do!” Finally, please remember that for safety reasons all parents must be off campus by 7:45. If you will be on campus after 7:45 you must sign in through the front office.

We look forward to seeing you at the many activities and events planned during the coming months.

Yours in partnership,
Mrs. Anyana Stokes

Principal
