

Happy New Year!

January 2025

School Counseling Department

New Years Reflections

As we enter a new semester and new year, it's a great time to reflect on the past and make goals for the future.

Report Cards will be available on January 23rd via Skyward Family Access. Instructions for [how to access can be found here](#).

Semester grades determine credit earned and are the grades that calculate into your GPA.

Below are some reflection questions you can use to make plans for a new semester!

- Do you know your Skyward Login?
- Hint, it's your active directory; the same username and password you use to login to the school computer
- Did you know there is a Skyward App for your phone?
- Review how each course grade is broken down.
 - How much is classwork, homework, and tests weighted?
 - How many "zeroes" do you have? What would your grade be if you had half or full credit for those assignments?
- What grade do you need to get for the second quarter and the midterm to get a passing grade for the semester? Remember, your semester grade is what gives you actual course credit
 - $(\text{Quarter 1 grade} \times 0.4) + (\text{Quarter 2 grade} \times 0.4) + (\text{Semester Exam} \times 0.2) = \text{Semester 1 Final Grade} = \text{what goes on your transcript} = \text{what determines if you get credit}$
- How was your attendance in each class?
 - Did you miss a lot of instruction?
 - Did you miss due dates or tests? How do you know what you missed when you are absent?
- Have you tried talking to your teacher?
 - Talk about your grade
 - Make up assignments or tests
 - Complete your homework
 - Get tutoring for difficult concepts
 - Clarify directions on projects or assignments

Upcoming Events

Cash for College Night-
February 6 @ 5-7pm in the Auditorium

Career Day - March 13 during the day

AP Information Night-
March 13 @ 5:45pm in the Auditorium
