Eagle Family,

As W.W. Irby Elementary concludes its 30th year, I want to express my gratitude and honor to be able to serve the students and families of the Alachua Community. I am grateful for your support and collaboration, alongside the efforts of our teachers and staff, PTA, School Advisory Council, and countless volunteers. It is through the collaboration of many that Irby continues to SOAR above the rest.

As our 2nd graders fly to new adventures this fall, oftentimes I hear from families about apprehension with change. As your child has grown, both academically and as a kind and caring child, I know they are ready for new opportunities ahead. Thank you for allowing me, along with all of the faculty and staff, to play a role in this development.

Irby Eagles are destined for great things and I am excited for what the future holds for Irby students.

I wish you well ❤️,

Your Very Proud Principal, Mrs. Floyd

Irby's Citizen of the Year Marcela Acevedo

Irby Elementary is proud to have Marcela Acevedo represent our school for May. Marcela spends her free time making fun arts and crafts with her mom. Her favorite subject in school is Math. Marcela aspires to be a 2nd-grade teacher when she grows up. When asked about advice she has for her peers, Marcela emphasized that she would tell them to listen to the teacher when the teacher is talking.

Ms. Brady's class has been reading about wants, needs, and careers! These young people are dreaming big and thinking about how they can change the world. While exploring the things a worker needs in various careers, they also studied maps and created a map of "their" town.
