February Citizen of the Month: Victoria Baucom

Irby Elementary is proud to have Victoria Baucom represent our school for the month of February! Victoria spends her free time skating and playing with magic mixies mixlings with her older sister. Her favorite subject in school is Math. Victoria aspires to be a music teacher when she grows up. When asked about advice she has for her peers, Victoria emphasized she would tell them to be responsible, always listen to their teacher, follow directions, and remember to use our SOAR expectations. Congrats!
