## From the Principal:

Please ensure that your child arrives to school on time each day. The instructional day begins at 7:45 am, and campus is open each day beginning at 7:15 am. Chronic absence – missing 10 percent or more of school days due to absence for any reason –excused or unexcused absences–can translate into students having difficulty learning to read by the third-grade, achieving in middle school, and graduating from high school. Students can still fall behind if they miss just one or two days every few weeks.

## VPK News

This year Ms. Brady’s VPK class partnered with Ms. Rosillo’s Second graders to form Book Buddies. They have enjoyed lots of reading experiences in the classroom and on the playground. Both classes look forward to these get togethers as they bond over books.

Our Book Buddy experience this year has created a positive learning environment where both older and younger students benefit from the shared experience of reading together. You won’t be surprised to learn that their favorite place to read is outside!

Pre-K parents of children going to kindergarten next year: Please mark your calendars for our **Pre-K Graduation Ceremony** that will be held on June 2nd at 8:45 am.

## News!

- The PTA will be sending home communication regarding a Spring student artwork fundraiser prior to spring break.
- Start collecting those pop tabs! More information to come!
- The next PTA general meeting will be held in April.

Save the Date: Kindergarten Round-up for incoming kindergarten students for the 2025-2026 school year will be on April 16th at 2:15 pm.

## Heart Foundation Jump Rope for Heart

Thank you families for supporting Irby’s annual Jump Rope for Heart. Our students were able to raise \$3,105.62 for The American Heart Association.

## January Citizen of the Month: Makayla Gordon

Congratulations to Makayla Gordon, Irby's latest Citizen of the Month! She loves to color, paint, play soccer, and watch tv when she is not at school. As a second grader in Ms. B.'s class, her favorite subject is math. Makayla aspires to be a teacher when she is older. Way to go!
