REACH Curriculum Overview

RESEARCH

Analysis of primary and secondary sources; In-depth research for iMovie documentary or website development; Evaluating text/media to support research perspective. We partner with Alachua County Library to gain access to library archives, academic journals, databases, and periodicals to help students prepare for the 8th grade NHD project.

RESEARCH

National History Day website or documentary production combines all previously learned research skills. We partner with the University of Florida to gain access to library archives, academic journals, databases, and periodicals. Students also conduct interviews with UF professors and community members.
