SAE

Supervised Agricultural Experience:

An agricultural education program is made up of three integrated parts: Classroom instruction, FFA, and Supervised Agricultural Experience (SAE).

Students with an SAE learn by doing. With help from their agricultural teachers, students develop SAE projects based on one or more SAE categories.

Examples of SAE:

- Raising Animals for Alachua County Youth Fair and Livestock Show, Florida State Fair, etc.
- Work Placement i.e. production, working for an irrigation company, cattle ranch, or landscaping, or in a veterinary hospital
- Raising replacement heifers, bulls, or market hogs

INSTRUCTION:

- Hands-on Activities
- Fun Field Trips
- Real-World Learning Experiences
- State of the Art Facilities
- Earn Industry Certifications

FFA

-FFA makes a positive difference in the lives of students by developing their potential for premier leadership, personal growth and career success through agricultural education.

-Our chapter is constantly taking on new challenges to improve members personal growth in agriculture related industries.

-FFA members will get the chance to network with other like minded students interested in agriculture, as well as industry professionals.

Benefits of FFA Involvement:

- Scholarships and Degree Programs
- National Convention in Indianapolis, Indiana
- Public Speaking Experience
- Leadership Conferences
- Serve as a chapter officer
