How to play Americana Trivia:

Place trivia cards face down on “Trivia Cards” space. First player selects a card and must answer correctly to continue. A correct answer allows player to roll dice and move corresponding spaces. An incorrect answer means player does not move until next turn. Some questions contain bonus questions. If player answers the first part correctly, and the bonus correctly, the roll of the dice may be DOUBLED! Player may, however, opt not to answer the bonus as his turn will be lost upon an incorrect answer whether or not the first part was answered correctly. The first player to the end wins.
