April 2025

What we are learning

Book Displays

Earth Day is April 22 so we are focusing on books that teach students about the natural world around us and how we can make the world a better place!

I also have books on display for Arab American Heritage Month and Asian American and Pacific Islander Heritage Month (May).

4th and 5th Grades

We are starting a novel unit in grades 4 and 5 where we will discuss story elements as we read award-winning novels.

3rd and 2nd Grades

In third grade, we are finishing up reading *The Big Sting*. Second graders are learning about biographies and some important women in history.

1st Grade and Kindergarten

In kindergarten and first grade, we are working on improving comprehension by retelling a story.

Reminders

April is the last month to check out books!

Make sure you are finding those missing books and getting them turned in.

Upcoming Events

- April – Arab American Heritage Month

SAVE THE DATE

- Book Fair May 23 – May 30
