

Community Tax

Community Tax was formed by attorneys and bankers with years of experience in both tax debt resolution and financial services. Don't let taxes impact your financial standing. When you work with Community Tax, you get actionable advice from professionals you can trust at affordable rates.

Our offer for Alachua County Public School employees:

Community Tax has a referral program to get you and your friends and family discounts on tax services. If you refer one friend, you can earn \$100 in statement credit or a \$25 Community Tax gift card. Your friend or family member will also get a \$100 discount off select tax resolutions and accounting services. When you hit your second referral, you will receive \$200 in statement credit with every referral after that being \$300 for every conversion. Visit our website to learn more.
