

Speak Out!

For career-tech, Advanced Placement (AP), Cambridge (AICE), International Baccalaureate (IB), and Dual Enrollment programs in Alachua County Public Schools.

Adding up the cuts

Career Tech	\$1,045,755
Advanced Placement (AP)	\$1,347,483
Cambridge	\$502,768
International Baccalaureate (IB)	\$218,901
Dual Enrollment	\$404,445

These funds support:

- Program equipment and supplies
- Participation in career-tech and academic competitions
- Certification exam fees and other requirements
- Professional development
- Software
- Field trips and other learning experiences

Florida's legislators will soon vote on bills that would strip

\$3.5 million

from these programs in ACPS schools, programs that serve nearly

7,000 local students.

House Bill 5101
Senate Bill 2510

Each year, thousands of ACPS students earn college credits, scholarships, awards and industry certifications through these vital and highly-successful programs!
