

Instructional Media Services
Multimedia Use Form – G and PG Movie Consent

Student: _____ School: _____ Grade: _____

Movies may be shown in the classroom for instructional purposes, classroom rewards or on field trips during transport. When selecting movies, teachers will follow the selection criteria established in School Board Policy 2540 - Multimedia Use. This criteria includes:

1. Support and be consistent with the District's education goals, policies, and specific course objectives;
2. Adhere to copyright laws;
3. Reflect best teaching practices based on age appropriateness and instructional relevance.

At times, the movie selected could carry a rating of G or PG. Please complete the information below indicating your approval of your child watching movies with a G or PG rating.

Note: movies used for instructional purposes that are rated PG13 require the use of form #IMS-2324-004

- Yes, I will allow my child to view PG-rated movies
- No, I do not want my child to view PG-rated movies
