Reconsideration of Materials Policy

In all cases, where materials being used in a school are challenged, they should be challenged at the level where the materials are being used, and referred to the Superintendent and Board only if the citizen is not satisfied with the handling at the local level.

When a citizen wishes to question materials or text content, he/she should fill out the Citizens Request Form. This form must be filled out and turned in to the principal of the school where the materials are being challenged. The principal and a committee will review the materials using the appropriate form as applicable.

People to be considered for Review Committees (school or district):

- School media specialists (generally the media specialist chairs this committee)
- Experts in the field up for review (i.e., doctors, policemen, university professors)
- Teachers of the subject area
- Parents or lay citizens with knowledge or interest in the subject
- Students at the appropriate age level
