HELLO TIGERS!

We are now in our second quarter! Please browse through this edition of *Tiger Times* to find some exciting information about what's coming up in the next couple of months!

WORKING OVER SCHOOL BREAKS

Alachua eSchool will be closed November 21-25. We hope you will enjoy this time with your family! If you would like to work over the break to catch up on assignments or get ahead, you are welcome to do so. Please keep in mind that our teachers will also be on break and may not be available to respond to emails or grade assignments until school resumes.

WILD TURKEYS CAN FLY UP TO
60 miles per hour!

Turkeys have excellent vision!
They can see three times
more clearly than 20/20.

The turkey was almost our national bird. BENJAMIN FRANKLIN THOUGHT THE turkey was a respectable "BIRD OF COURAGE" and SHOULD BE THE NATIONAL BIRD. HOWEVER, NOT EVERYONE AGREED, and THE BALD eagle BECAME our NATIONAL BIRD, instead.

a note from our principal...

Dear Alachua eSchool Tigers,

Students are working hard in quarter two and doing their best every day. As your child's learning coach, it is key that you communicate with your child's teacher about any questions or concerns you have as early as possible. Our teachers really care and can easily provide resources, guidance, and support in improving your child's learning experience, just ask.

Creating an early love of reading and providing support for your child to become a strong reader is key in developing students. Below are some **simple parent/guardian strategies for creating strong readers** from the Florida Department of Education.

Invite a child to **read with you every day**.

When reading a book where the print is large, **point word by word as you read**. This will help the child learn that reading goes from left to right and understand that the word he or she says is the word he or she sees. Read a child's favorite book over and over again.

Read many stories with **rhyming words** and lines that **repeat**. Invite the child to join in on these parts. Point, word by word, as he or she reads along with you.

Discuss new words. For example, "This big house is called a palace. Who do you think lives in a palace?"

Stop and ask about the pictures and about what is happening in the story.

Read from a **variety of children's books**, including fairy tales, songbooks, poems and information books.

Thank you for all you do to support your child and their education. We value your partnership. Please reach out to us at any time and let us know if we can be of assistance. Go Tigers!
