

# LIBRARY NEWSLETTER

October 2024

## This month in the library

This month we are continuing to read books for Hispanic Heritage Month! Additionally, with my younger students we are reading books for Halloween, while older students are reading "I Can't Wait to Vote!" to understand elections.

### Genre Spotlight

This month many students are looking for spooky or scary books so our Mystery and Scary sections of the library are staying busy.

### Nonfiction Spotlight

5th Graders went on a fact-finding scavenger hunt to understand how the Dewey Decimal System is used to organize nonfiction books. They were given a topic and had to locate a book on that topic and identify an interesting fact.

## Reminders

If something happens to your book, please come let us know in the library so we can repair or replace the damaged book.

## Upcoming Events

- November is Native American Heritage Month
- Nov 11 - Veteran's Day
- Nov 25 to 29 - Thanksgiving break
