

**AP WORLD HISTORY MODERN  
SUMMER ASSIGNMENT  
MR. WASSERMAN**

Please complete the two following assignments for AP World History Modern. Assignments are due on August 14th, 2025 (the Thursday of the first week of school).

Our course's curriculum starts in the year 1200 CE, therefore we will need to have a decent understanding of what came before. It's been a while since 6th grade World History (and at different middle schools), so the goal of these assignments is to have all 10th graders start the year with a base set of knowledge. Instructions are inside the assignments linked below. Both assignments are due on Thursday August 14th, 2025.

I look forward to meeting all of you in August!

Mr. Wasserman

Assignment 1- Reading and Guided Questions.
