How Title I Works?

- Title I funding flows from the U.S. Department of Education (as appropriated by Congress) to the Florida Department of Education (FLDOE).
- The FLDOE allocates funds to the District.
- The District identifies eligible schools and allocates Title I funding to those schools based on the number of Children from Low-Income Families (CLIF).
- Title I schools spend the funds allocated based on formalized School Improvement Plans approved by District and FLDOE.
- Our School implements a school wide program.
